## Connect Groups Listed by Category

Below you will find the various connect groups sorted by category. Pertinent information about the group, the group description, area of study as well as any material requirements will be listed. Please read this information thoroughly, paying special attention to the **Requirements** section. Some groups may have required fees. Please note any books listed under the requirement section will be used for that connect group's study. Please contact the group leader if you have any questions regarding the study materials or purchase thereof. If the connect group is geared for a specific age group, interest or type of participant, that is also indicated in the **Requirement** section (ie Groups for women between 18 – 30 years of age, etc.) If you have any questions regarding the details of the group, please feel free to contact that group facilitator directly.

Please note that each group is identified by a number, Participant Indicator (AO = Adults Only or CW = Children Welcome) and the group leader's name. To sign up for a connect group, please write the group number on a communication card and place in the offering containers or sign up at the kiosk after service.
